NOW THIS AGREEMENT WITNESSETH that in consideration of the mutual promises herein contained, the parties agree each with the other as follows:

1. THE LICENSOR hereby grants a license to GT for certain areas in and on THE SITE designated for the purpose of installing, operating and maintaining cabling, connections and ancillary equipment (hereinafter referred to as the "EQUIPMENT") so as to provide telecommunication services.
2. On termination of this agreement, GT will remove all EQUIPMENT and cabling installed pursuant to this agreement, save that in Schedule A. GT shall make good all damage and indemnify against all losses, costs and expenses relating to the installation, operation, or removal of such EQUIPMENT. Upon mutual agreement, THE LICENSOR will have the right to assume ownership of the EQUIPMENT and cabling, or portions thereof, without payment.

3. GT will not at any time install additional EQUIPMENT until it has provided a set of plans, and THE LICENSOR has approved those plans.
 4. GT will have free and reasonable access to THE SITE during normal business hours provided that the building manager has received prior notice thereof. After normal business hours, access to THE SITE will only be with the prior approval of THE LICENSOR, such approval not to be unreasonably withheld or delayed.

Upon request, GT will provide THE LICENSOR with proof of such insurance.
 8. GT will pay all costs, taxes and other levies related to the installation, maintenance, operation and relocation of the EQUIPMENT.
 9. Each of the parties hereto acknowledge and agree that this agreement constitutes the giving of a license and does not constitute or contain any lease of property.
 10. This Agreement enures to the benefit of and is binding on the parties to the Agreement and their respective heirs, executors, administrators and permitted assigns.
 11. In the event of any breach of this Agreement the party not in breach shall give the party in breach written notice both describing the breach and setting a reasonable time within which it must be cured. If a resolution is not achieved within thirty days from the receipt of the written notice, then a party may move for mandatory, binding arbitration pursuant to the Commercial Arbitration Act of B.C.
 12. Should at any time during the term of this agreement the Licensee feel that the terms and conditions of this agreement or the technologies of the Licensee are not economically viable, the Licensee may terminate this agreement upon 60 day notice to the Licensor. All obligations save for continued license fees will remain until the Licensee has removed the Equipment and restored the premises or transferred ownership as per the provisions of this agreement.
 13. Time shall be of the essence of this Agreement.
 14. Except for the payment of money and unless dealt with elsewhere in this Agreement, neither party shall be liable to the other for any delays or failure to perform resulting directly from circumstances or causes beyond its reasonable control, including, without limitation, fire or other casualty, act of God, strike or labour dispute, war or other violence, or any law, order or requirement of any Governmental Entity. Where applicable, performance time shall be considered extended for a period of time equivalent to the time lost because of any such delay.
