Once the Equipment is installed, such installation is subject to inspection and approval by the Owner and the reasonable expense of such inspection shall be the responsibility of the Licensee.

The Licensee shall be responsible for the satisfaction or payment of any liens registered against the Building by any supplier of labour, material or services to the Licensee. The Licensee shall cause any such liens to be removed within 15 days, failing which the Owner may take such action as the Owner deems necessary to remove the same and the Licensee shall pay the Owner for all cost and expenses including reasonable solicitor's fees incurred by the Landlord in procuring the lien discharge within 10 days of receipt of an invoice therefore, provided that the Licensee may contest, in good faith, any such liens.

**7.6 Warranty** The Licensee shall cause and the Licensee's contractor (as recommended by the Owner) shall deliver, prior to undertaking any Work in the Building Equipment Room or Building Risers, a written warranty addressed to the Owner guaranteeing that the Work will be performed in a good and workmanlike manner and indemnifying against leakage or any deterioration of the Building or Equipment Room due to the Work for a period of one (1) year from the date of Work. The Licensee shall make good at all times any damage caused to the Building, Building Risers or Equipment Room in connection with the Equipment or the Owner may, at its option, and at the Licensee's expense, repair any damage and the Licensee shall pay the owner upon demand the costs of such repair plus twenty (20%) percent for overhead and supervision.

- (c) not do or omit to do or suffer anything to be done or omitted to be done in the Building, Equipment Room or Building Risers, which might:
- (i) in any way impair or invalidate such policy or policies or any other policy maintained by the Owner; or
  - (ii) result in an increase in the cost of insurance of the Owner.
- (d) The Licensee covenants with the Owner that the Licensee in its use and occupation of the Building, Equipment Room and Building Risers will not do or permit to be done or omit anything which shall cause any insurance premium with respect to the Building or any part thereof to be increased, and if any insurance premium shall be so increased the Licensee shall pay to the Owner forthwith upon demand as an additional License fee the amount of such increase. If notice of cancellation or policy lapse shall be given respecting any insurance policy or if any insurance policy upon the Building or any part hereof shall be cancelled or refused to be renewed by an insurer by reason of the use or occupation by the Licensee or any part thereof, the Licensee shall forthwith remedy or rectify such use or occupation upon being requested to do so in writing by the Owner, and if the Licensee shall fail to do so the Owner may at its option terminate this Agreement forthwith by notice in writing and thereupon all amounts for which the Licensee is liable hereunder shall be apportioned and paid in full to the date of such termination, and the Licensee shall immediately remove its Equipment.

**8.2 Indemnification** The Licensee shall indemnify and save harmless the Owner from and against any loss, suit, claim, action, damage or expense arising out of, from or by reason of, the installation, operation, maintenance, repair or removal of the Licensee's Equipment in the Equipment Room and the Building communications space pursuant to this Agreement, except to the extent that any such loss, suit, claim, action, damage or expense is due to the negligence or willful misconduct of the Owner or those for whom the Owner is in law responsible.

The Owner shall have the right to terminate this Agreement immediately upon written notice to the Licensee; or
- (d) Notwithstanding the aforementioned, the Owner may provide six (6) months prior written notice to Licensee, terminating this Agreement, provided such termination is for the demolition or substantial renovation of the Building, Building Risers or Equipment Room by the Owner, whereby such renovations render the Building or Equipment Room untenable.
